The Big Parade

On October 1st in 2019, to celebrate the 70th birthday of the People's Republic of China (中华人民共和国), there was a big parade on Tian'anmen Square. 100,000 people and 70 floats (巡游花车) joined the parade. There were workers, farmers, teachers, students, and the Chinese women's volleyball players. I was one of them. As a Young Pioneer (少先队员), I stood on a colourful float with many other primary school students. We waved flowers. We sang and danced. We all wished our motherland a happy birthday and a glorious future(光明的未来). That was the most exciting day in my life. I will never forget it. I am so proud of my motherland!

十三、读短文,选择最佳的答案,将字母标号写在括号内。

Your body needs many things to stay healthy. One of those things is exercise. There are many kinds of exercise.

You probably get exercise without thinking about it. You might go for a walk or a run. You might dance, swim, or jump rope. You might ride a bike or go roller-skating. All of these activities are good for your body.

If you exercise every day, it can help you feel your best. How much exercise do you need? The experts(专家) say children should exercise for 60 minutes each day. But you don't have to do it all at one time. You could do push-ups in the morning, play tag at recess(课间休息) outside, then ride your bike after school. It all adds up! Exercise will help you stay healthy.

- () 79. One kind of exercise is _____.
A. listening to music B. eating food
C. going for a walk
- () 80. Kids should exercise _____.
A. with parents B. all at one time a day
C. for sixty minutes each day
