题目①

*Dear Mr. Smith,*

*I'm glad to tell you there'll be an English drama show this weekend. It will be held at 8:00 this Saturday morning. We are going to hold it in our music club. All of us are going to wear nice*

clothes and play different roles in groups. We will perform English dramas. Speeches will be made during the show.

I hope you can work as a judge and give scores for each group after their performances. Then at the end of the drama show, you can give us some suggestions. If possible, you can bring your camera with you and take some photos for us. I believe this English drama show will be successful with your help.

*We're looking forward to your reply.* 平

题目②

*It's our duty to show kindness to others around us.* I think everyone should be kind to each other. When someone is in trouble, we'll give a hand politely. In our community, I try my best to help the neighbors and take care of the old people at weekends as a volunteer. At school, I get on well with my classmates and help them with their lessons. I also send my books and clothes to the children who live in poor areas. I'm very proud I have made many friends by helping others in need. I believe our society will become better and better if everyone shows kindness to each other.
