SUBJECT	A Terrible Holiday in Japan

Hi Jason,  
 Last Saturday, my parents and I flew to Japan for a holiday. We planed to stay in Tokyo and Nara for a few days. Then we came to Osaka.  
 There was a very big storm after we arrived here. The winds were very strong and the rain didn't stopped. Some streets *looked like rivers*. We only stayed in the hotel because it was dangerous to go out.  
 The next morning, we looked out of the window. All the shops were closed. The windows of the houses were broken. Some trees fell and some cars were broken, too.  
 Although the weather is better now, the airport is still covered in water and the planes cannot take off. We want to return to Beijing but we have to (不得不) stay here for some more time. How sad!
