十二、判断所给句子与短文内容是否一致，一致写 T，不一致写 F。（共 5 分）

Where is it?

Andy is a ten-year-old boy. He has a bad habit (习惯). He puts things everywhere, so he looks for things every day. When he is back from school he throws (扔) his cap and schoolbag on the floor (地面). Before he goes to bed he throws his clothes everywhere. His room is messy. His parents are angry with him. But he doesn't care. He is very happy every day. But one day Andy is very sad.

Children are going to have a party on Children's Day this Friday. Andy is going to do magic tricks. He wants to give everyone a big surprise. So he does magic tricks with a big black hat at home every day. Today is Friday. In the morning, he goes to school and gets ready for the magic tricks. But he can't find his big hat. He is so upset because he can't show without his hat. After school, he goes back home and finds his hat under the bed. He says to his parents, "I will put all my things in right places in the future (未来)!"

- () 66. Andy looks for things every day.
 () 67. Andy's room is messy. His mum is angry with him, but Dad not.
 () 68. Andy wants to do magic tricks on Children's Day party.
 () 69. Jack can do magic tricks at school on Friday morning.
 () 70. Andy can find his hat beside the sofa at home.

十三、仿照例子，看信息写句子。（共 5 分）

例:

 a salad
some meatballs
twenty yuan

 May I take your order now?

 Yes, I'd like a salad and some meatballs. How much are they?

 They are twenty yuan.

 Thank you very much.

 a sandwich
two chicken wings
thirty yuan

 May I take your order now?

 Yes, I'd like 71. _____ and 72. _____.

 How much are they?

 73. _____.

 Thank you very much.
