Without potatoes life would not be the same for many people. Potatoes are the main food for people in Europe and America. They are just like the rice and noodles we eat at each meal. People from different countries make different kinds of potato dishes.

Germans eat potato salad, and Americans have baked potatoes. And, of course, the French people invented French fries. Now people eat a lot of French fries all over the world. The British people eat them with salt and vinegar. The French people eat them with salt and pepper. Americans eat them with ketchup.
