九、阅读语篇完成任务，请将答案填涂在答题卡上。

Passage1:

Keep Healthy

This year is a special year. We can not go out freely because of a new virus, 2019-nCoV. It is spreading all over the world. Thousands of people get sick because of it. It is very dangerous. We should be careful and keep good habits in our daily life.

- Before you sneeze (打喷嚏) or cough, you should cover your mouth.
- How to cover your mouth is very important. You might use tissues (纸巾). If you don't have tissues, you should sneeze into your elbow (肘), not your hand.
- We'd better wear masks (口罩) and often wash our hands. Hand washing is one of the most important things people can do to keep healthy.
- Do not share chopsticks or spoons with others, even your dad and mom.
- Keep at least 1 meter away when you chat with others.
- But don't wear the mask when you do sports.
- Don't go around during this special time. You can contact your friends on the phone, wechat, e-mail ...
- Make a suitable timetable when you are at home. You can read books, do some chores, do sports or do something you like.

Task: Read and answer. 根据语段内容, 选择恰当答案, 并将答案填涂在答题卡上。

## Passage2

*A Frog's Life* 

Frogs live in ponds and rivers.  
They spend some time on land.  
They hop on their long, strong legs.

♦ Laying Eggs 

The female frog lays eggs in to pond. You might see a blob of jelly with black dots. The blob of jelly is full of frog eggs. Inside the egg, new tadpoles are ready to hatch.

♦ Growing

In a few weeks, a tadpole begins to grow legs. The tadpole's legs grow longer. Its tail gets shorter. The tadpole changes into a frog. The frog has four legs.
