	Hi! My name's Eason. I'm 11 years old. The first eleven years of my life were wonderful. Every morning my mum woke me up by kissing me. During the drive to school, Mum, Dad and I sang loudly to my favourite music.
	Well, it's time to tell you the bad news. A few months ago, Mum and Dad came home from the hospital with my baby sister. I didn't want to share my mum and dad. Now can you see why I was so <u>upset</u> at that time?
	Mum and Dad didn't have time to play with me anymore. They were always busy looking after my baby sister. One night, my sister was sick. "Dad, can we read my new English book together?" "Not now, Eason..." Then I read the book by myself.
	From then on, I tried to do more things. I tried to take a bus to the art club by myself. It was not easy but I did it. I tried to make breakfast for my family. They said it was yummy.
	One day, Dad put my baby sister in my arms. She grabbed my finger and smiled at me! "She likes me." I thought, "Maybe having a sister isn't so bad."
	Now I often play with my sister. I can build her a house and share my teddy bear with her. Mum and Dad often read stories to us and play games with us. I love this bigger family.
