() 55. Eric, Andy and Susan, they don't like fish.

十一、读短文，根据内容判断正误，正确的画√，错误的画×。

One day, Mr. Read and his son Robert were going out for a walk. He put on a pair of shoes together with a pair of different socks, one white and one yellow. As he came out of his house, his son noticed (注意) the colours of his father's socks and said, "you have put on two different socks, dad."

When he heard this, he looked at his socks and found that his son was right. He was happy and said to himself, "what a clever son I have got!" Then he said to his son to go back to the house to get another pair of socks for him.

When the son went back to the house, he found the socks were white and yellow too. Robert then took the socks to his father and said, "It's no use changing! These socks at home are also different, one yellow and one white."

- () 56. One day, Mr. Read and Robert were going out for a walk.
() 57. Mr. Read put on a pair of socks in different colours.
() 58. Robert went back to the house to get another pair of socks for his father.
() 59. Robert could not find the socks in the house.
() 60. Robert was Mr. Read's son and he was not a clever boy.
